Queensland

100 years of the Lutheran Church in Queensland
Written in 1938, this digitised book "examines the history of the church, the life and customs. Included are biographies of the pastors of the United German and Scandinavian Synod (1885-1921), the Evangelical Lutheran Synod (1885-1921) and pastors after 1921 when amalgamation occurred. One section is devoted to each of the parishes with a brief history of each at Alberton, Beenleigh, Bethania, Brisbane North, Brisbane South, Bundaberg, Douglas, Dugandan, Engelsburg, Goombungee, Hatton Vale, Highfields, Ipswich, Kingaroy, Lowood, Mackay, Maryborough, Murgon, Nundah, Toowoomba (Hume Street and Phillip Street), and the Home Mission Centres." – back cover.

The Aldine history of Queensland / [by W. Frederic Morrison]
This CD-ROM contains high quality scanned images of the whole of the original volumes, and has been bookmarked for easy navigation. Pages can be searched, browsed, enlarged and printed out if required. It was written by W. Frederic Morrison as a 'celebration of the centennial year of the settlement of Australia'. It contains information on the different governors, the national constitution, interior exploration, resources, religious work, education, recreation, and a large biographical section. It also includes over 500 illustrations of people and places along with several maps. The large Appendix section consists of over 320 pages of biographies and photographs of Queensland's noted people. The biographies have been grouped by towns.

Jubilee History of Queensland 1900
This CD-ROM contains high quality scanned images of the whole of the original book. It is a highly detailed book containing a range of information both about Australia as a whole and the Colony of Queensland. It begins with detailing the discovery and the early explorations of Australia and describes the continent including an in depth description of the flora and fauna. The book covers topics such as the aborigines, growth of the colony, celebration, exploration of the interior; resources, religious work, and recreation. It also describes the first governors who came to Australia to handle its affairs. There is information about the colonial governments, and chapters on numerous Queensland districts. There are also over 80 sketch images (mostly portraits, but also some scenes).

Landsborough Shire Records: index to rates, receipts and payments, 1912-1941
The index was compiled by Caloundra Family History Research Inc. from 15 registers held at Queensland State Archives. It consists of 4 tables covering rates cash books [rates payments]; a special loan rates register organized by division; general cash books, and a loan account cash book. Rates books can be invaluable in tracing the history of a particular portion of land and these contain unexpected and interesting additional information such as waived rates for servicemen away at war or payments made to families to enable them to take sick children to the hospital.

Queensland brands index 1878-1900 and directory 1949-1952

This CD-ROM contains the following indexes: Queensland Horse and Cattle Brands index 1872-1899; Queensland Sheep Brands index 1877-1900; and Queensland Brands directory 1949-1952. The indexes can be directly searched on name, year and other details, which also provides direct links to images of the Queensland Government Gazette. When possible the two brand indexes cover not only the owner, but show and describe the brands in the search results, whilst the linked images of the Gazette lists show the actual symbols. For horses and cattle the index entries show whether a new registration or transfer, whilst for sheep the indexed lists are of current registrations. The directory index covers name, address and page reference to the main section of the Queensland Brands directory 1949-1952 (pt. i to viii) with some additional owner information. Full brand information is in the original entry, not on the CD-ROM.

Queensland

Queensland telephone directory compendium 1 selection
This CD-ROM contains digital reproductions of five Queensland directories for the years 1931, 1936, 1940, 1943 and 1947. These five directories cover the South and South-Western districts of Queensland. The directories contain alphabetical lists of people and companies together with their telephone numbers for each town and suburb throughout these particular districts. Some entries also include the individual telephone owner's occupation or street address. They also include call rates and hours, telegram rates, how to place a call or telegram, postal rates, wireless licence information and general telephone information as well as a section on trades and professions.

Queensland

Travel and adventure in Northern Queensland
This CD-ROM contains digitised images of the original book written by Arthur Bicknell and published in 1895. The book describes the time he spent in Northern Queensland during the early 1890s. It covers the journey to Australia via Java and the Torres Strait. He describes his travels and adventures through much of north Queensland, Port Douglas Range, Herberton, Mount Albion, Einasleigh River, Etheridge goldfield, Castletown, Curham, Gilbert River, Port Douglas, Sandy and Rocky Tate Rivers, and Charters Towers.

Visit to Queensland and her goldfields
This CD-ROM is a digitised copy of the original book written by Chas H Allen and published in 1870. It describes the author's travels in Queensland and Victoria and touches on Sydney and New Zealand. Though dealing largely with the goldfields of Gympie, the quartz reefs of Northern Queensland, gold mining in Ballarat, and the Port Phillip mining company at Clunes, the author also includes extensive descriptions of other aspects of the eastern colonies. There is a general chapter on Queensland and life there, as well as chapters on Brisbane, and the Darling Downs, Rockhampton and the Fitzroy River. The CD-ROM is keyword searchable.
