Copyright information for teachers

This research guide is designed for individual use by students studying The Australian Curriculum: History.

Please note, due to licensing arrangements, State Library of Queensland's subscription databases and ebooks are for private research and study purposes only. They may not be used as teaching resources in classroom environments in schools or other educational institutions and students must not be required to access specific databases or ebooks as part of the curriculum.

Teachers can advise students on State Library's resources and encourage their use to help with their studies and research. Students are encouraged to access State Library's resources at school, but not during class time.

Teachers are most welcome to advise students what is available via State Library, and to encourage students to make use of ebooks and databases to help with their studies. It is permissible for a teacher to demonstrate the use of State Library's catalogue, and to point out how various online material can be accessed.

It is also permissible for students to access State Library's online resources at school – but this must not be during class time. An example of permitted use might be where students have a spare period when they work on assignments or homework, and they are accessing databases as private members of State Library. Information about joining State Library is [here](#).

Please also note that State Library has digitised a range of material such as diaries, and out of copyright publications held in our collections. There are no restrictions on the use of this material as part of a teaching program – and no requirement to be a member of the library to use this material. This type of material can easily be found, [searching State Library's One Search catalogue](#) using the "SLQ digitised collections" option in the dropdown menu.

Encyclopedia of African American History 1896 to the Present

Edited by: Paul Finkelman

This remarkable work traces the transition from the Reconstruction Era to the age of Jim Crow, the Harlem Renaissance, the Civil Rights Movement, and the ascendant influence of African Americans on the American cultural landscape. With coverage up to and including the 2008 election of Barack Obama as the 44th President of the United States, the *Encyclopedia* contains approximately 1,200 fully cross-referenced entries all signed by leading scholars and experts, offering the most reliable and extensive treatment to be found on African American history in this era.
