

COVID-19 update

The health and safety of staff and clients is our top priority

10 June 2020

AGILE WEEK – GREEN TEAM

COVID-Safe Site Plan

On Tuesday State Library's COVID-Safe Site Plan was submitted to Queensland Health for approval. The Together Union was consulted during the development of the Site Plan, and they provided their endorsement.

We are progressing with preparation work for Stage 2 reopening of additional spaces to commence on 22 June in line with Queensland Museum and Queensland Art Gallery and with Stage 3 planned to commence on 11 July.

COVID Risk Assessment procedures

Please make yourself familiar with the new [COVID Risk Assessment procedures](#). A Risk Assessment is required for all multiple-staff and front-facing activities before work commences and staff return to site.

The risk assessment will help you to identify all potential risks, their likelihood and consequence. You will need to specify the action you will take to minimise the identified risks.
