Sneak peek of new platform

Next week, State Library will go live on Amplify with the first batch of digitised oral history collections. Amplify is a crowdsourcing platform that allows libraries to publish digital audio material and machine-generated transcripts. Volunteers can then listen to the audio, line-by-line, and correct any errors in the transcripts. You can have a sneak peek here: <https://amplify.gov.au/slq>.

Wellness survey

A big thank you to everyone who completed the Wellness survey. We had an amazing 264 responses. Next week we will share actions, based on your feedback.

Coffee time

From Monday 27 April, Cafe Muse at Queensland Museum will be open for coffee and offer a limited takeaway menu. The cafe will operate from 8am-2pm Monday to Friday, and sit-down areas will remain closed.
