

COVID-19 update

The health and safety of staff and clients is our top priority

Friday 3 September 2021

[Staff updates page](#) | [Staff email archive](#) | [Health and Wellbeing team initiatives](#)

Important reminders

Preparation is key

We all well know that COVID makes life a little unpredictable, so it's important to think ahead so you are prepared for change. Build habits into each day (for example, taking your work laptop home) so you are ready to respond, if required.

Interstate travel

Given the uncertainty of the current climate, **all future interstate travel needs to be reconsidered**. If you already have trips planned for the coming months, please talk to your Executive Director to confirm.

Signing in

Please continue signing in when you arrive at work:

- State Library South Bank (including The Edge, The Library Café Pop-Up and Library Shop) and Anzac Square Memorial Galleries: sign in with Sine Pro and the Check In Qld app.
- Cannon Hill and Cairns offices: sign in with Sine Pro.

Restrictions reminder

A reminder on the current restrictions in South-East Queensland:

Masks

You must **carry a mask at all times**.

As per Queensland Health advice in the [COVID Checklist for Restricted Businesses](#), staff must wear masks when working or moving through front of house spaces at State Library and Anzac Square.

Masks are required when you can't stay 1.5m apart from others when in our back of house spaces at State Library and Anzac Square, and in the workplace at Cannon Hill and Cairns.

Capacity limits

Indoor spaces are limited to one person per 2m² and outdoor spaces are not restricted.

Based on further feedback from staff, the [State Library capacities tables](#) have been reviewed again this week and a new version is now available on the staff updates page.

Other restrictions

Ticketed events with fixed, allocated seating can proceed at 100% capacity.

Guests no longer need to be seated to eat or drink.

Check the [full roadmap](#) for further details. You can also refer to the [Chief Health Officer's latest public health direction](#) for more information if you have a question about the current rules.

Have a good weekend,

Vicki
