

COVID-19 update

The health and safety of staff and clients is our top priority

Friday 8 October 2021

[Staff updates page](#) | [Staff email archive](#) | [Health and Wellbeing Team initiatives](#)

Restrictions easing from 4pm today

This morning the Premier announced [restrictions would ease early](#) **from 4pm today** in the Brisbane, Logan, Gold Coast, Moreton Bay, Townsville and Palm Island local government areas.

Signage has been updated around the building this afternoon.

Once published, the [updated public health directions](#) will provide further advice.

Masks

As a rule of thumb, **always have a mask on you** when you leave home.

The key points are:

- Carry a mask at all times in case you can't socially distance
- You must continue to wear masks indoors unless you're seated
- However, for hospitality venues, masks only need to be worn for entry and exit
- Masks should be worn at all times on public transport and in ride shares

Staff working in our public spaces at State Library and Anzac Square (including our cafes) **must continue wearing a mask when interacting with visitors**. Thank you to all colleagues who have been persevering with masks at work over the last few months — your efforts are recognised and appreciated.

Capacity limits

Indoor spaces can have one person per 2m² and there are no limits on outdoor spaces. Refer to the [capacity tables](#) for limits.

Ticketed events with allocated seating can proceed at **100% capacity**.

Other changes

Visitors no longer need to be seated for eating and drinking in our cafes or at our events.

Health advice

Please continue to **check the [active contact tracing alerts](#) every day** and follow Queensland Health advice if you were in the any of the locations at the relevant times. You should continue [getting tested](#) if you have any symptoms.

The Chief Health Officer is actively encouraging everyone to be vaccinated. Vaccinations are available from the Brisbane Convention and Exhibition Centre, the Cairns Convention Centre and [many more locations](#).

Have a good weekend,
Vicki
