Lockdown extended

This morning it was announced that the [South-East Queensland lockdown will extend](#) until **4pm on Sunday 8 August**.

The Chief Health Officer was extremely clear in her advice: this is a very contagious variant and we need to take it seriously. Stay home unless absolutely necessary. We must work together this week to get through this period safely.

Thank you all for your continued hard work to quickly respond to the changing circumstances again — your efforts are sincerely appreciated.

Exposure sites and quarantining

Please continue to check the [active contact tracing alerts](#) and follow Queensland Health advice if you were in the any of the locations at the relevant times.

If you are under advice to quarantine, please email your People Leader and the [People and Culture mailbox](#) **immediately** and **do not come to the workplace**. If your advice from Queensland Health changes, please keep your People Leader and People and Culture informed.

ICT from home

You can log your requests via email to ict@slq.qld.gov.au (preferred for non-urgent requests). Please remember to include your mobile number so the team can call you back if required. If your request is urgent, please note it in the subject field.

The ICT Service Desk phone (x9292) is also available.

All staff can use RD Web to access the O:\Drive and most State Library applications (including Aurion if you're yet to finish your PPP). Check this [ICT How To guide](#) for instructions.

Please note the following applications must be accessed through Remote Desktop: Recfind, Converg, Promaster, Finance 1, Adobe Creative Cloud, Perpetual Visio and Project licenses, Foxit, Camtasia and Raiser's Edge. Please talk to your People Leader if your work is impacted.

No InTouch this week

With plenty of COVID information for staff to be across, tomorrow's edition of InTouch will be held over until next time. If you have any staff news to share, please send it to communicate@slq.qld.gov.au for inclusion.

Thank you,
Vicki
