Updated face mask advice

Following the release of the [latest health directive](#) from the Chief Health Officer, please note this clarified advice about wearing face masks at State Library:

- **Public spaces at State Library and Anzac Square Memorial Galleries:** until 4pm on Friday 27 August, wearing face masks is mandatory at all times in our front of house spaces for staff and visitors (unless exempt). This includes in The Library Café Pop-Up (unless eating or drinking). Please remember to wear your mask when working in or moving through these spaces.
- **Workplaces:** if you can keep 1.5m away from others, masks do not need to be worn in our back of house staff areas at South Bank and Anzac Square Memorial Galleries, or in the Cannon Hill and Cairns offices.

Remember, **you must carry a mask with you at all times** when you leave home.

You also need to wear a mask outdoors if you are unable to stay 1.5m away from people who aren't part of your household.

Restrictions are expected to ease further at the end of this week, so I will provide updated information when we receive it.

Thank you,
Vicki
