

COVID-19 update

The health and safety of staff and clients is our top priority

Sunday 1 August 2021

[Staff updates page](#) | [Health and Wellbeing Team initiatives](#)

No staff onsite on Monday or Tuesday

All Cultural Centre CEOs have agreed that no staff should be in the workplace on Monday 2 or Tuesday 3 August.

This applies to everybody working at South Bank, Anzac Square Memorial Galleries or Cannon Hill, and to any Cairns staff who have been in South-East Queensland in the last 14 days.

This means nobody should be going onsite to collect work equipment or documents.

People Leaders: please check in with all of your team members first thing on Monday morning to plan your work for the start of this week.

Exposure sites and quarantining

Please continue to check the [active contact tracing alerts](#) and follow Queensland Health advice if you were in the any of the locations at the relevant times.

If you have been in an of the locations identified as a COVID-19 exposure site, you must immediately travel directly to your home or accommodation and quarantine, get tested at your earliest opportunity.

If you are under Queensland Health advice to quarantine, please email your People Leader and the [People and Culture mailbox](#) **immediately** and **do not come to the workplace**. If your advice from Queensland Health changes, please keep your People Leader and People and Culture informed.

Stay at home vs quarantine at home

These lockdown restrictions are the strictest we've seen, and if you read the Chief Health Officer's [Restrictions for Locked Down Areas \(South-East Queensland\) Direction](#) it clearly details the very few reasons why you should leave your home.

But remember that if Queensland Health asks you to quarantine, this means you cannot leave home for any reason, except to get a COVID-19 test. If you need further advice about your specific situation, please call 13 42 68 and speak to Queensland Health.

Getting tested?

If you have any symptoms, [get tested](#) and isolate until you receive your results.

If you are going for a COVID-19 test, please email your People Leader and the [People and Culture mailbox](#) **immediately** and **do not come to the workplace while you are awaiting test results**. Then don't forget to notify your People Leader and People and Culture **as soon as you receive your result**.

Stay alert

We will keep you updated as the situation develops, so keep your mobile handy and regularly check the [staff updates](#) page and your emails for further updates. Please talk to your People Leader if you have any concerns.

I hope you are all keeping well at home. Hopefully you're getting the chance to enjoy some of the Olympic medal wins!

Take care,
Vicki
