Restrictions extended in South East Queensland

Today the Premier announced that [restrictions in Queensland will be extended](#) to 6am on Friday 23 July.

This means:

- Current [mask restrictions](#) will continue.
- Current capacity limits remain (one person per 4m² in indoor spaces and one person per 2m² in outdoor spaces). Check the [capacities tables](#) for the limit on each space.
- Patrons must be seated while eating or drinking in the café or at our events.

Events with ticketed and allocated seats can continue at 100% capacity.

When restrictions ease, further advice will be provided to all staff about the changes.

Health advice

If you have any symptoms, [get tested](#) and isolate until you receive your results. Keep checking the list of [active contact tracing alerts](#) and follow Queensland Health advice if you were in any of the locations at the relevant times.

If you are going for a COVID-19 test, please email your People Leader and the [People and Culture mailbox](#) **immediately** and **do not come to the workplace while you are awaiting test results**. Then don't forget to notify your People Leader and People and Culture as soon as you receive your result.

Thank you,
Vicki
