New tech onsite for video meetings

ICT have set up additional video conferencing equipment in the level 5 meeting rooms to help facilitate meetings between staff working onsite and others working remotely:

- Meeting Rooms 5A and 5E: all-in-one PC with a webcam
- Meeting Rooms 5C and 5D: monitor only (requires a laptop).

There are a limited number of short-term loaner laptops you can book through the Outlook calendar resources. Check the [how-to guide](#) if you need help.

If you have a desktop PC and require an external USB webcam for meetings, please discuss with your People Leader before lodging a request with their approval to the [ICT Service Desk](#).

Looking after yourself

Benestar are delivering a free webinar next week covering strategies to manage the burnout and fatigue you may be feeling in the current COVID-19 environment. Places are limited, so get in quick.

Workplace wonders

There is lots to love about being back in the workplace! Here are some of the things that our colleagues have been enjoying over the past few weeks.

Enjoy the rest of your week,
