

COVID-19 update

The health and safety of staff and clients is our top priority

Thursday 30 September 2021

[Staff updates page](#) | [Staff email archive](#) | [Health and Wellbeing Team initiatives](#)

Restrictions tighten

This morning the Chief Health Officer announced our [restrictions would move back to Stage 2](#) **from 4pm today** for the next fortnight

Key changes include:

- **indoor capacity** reduced to one person per 4m² and **outdoor capacity** reduced to one person per 2m² (refer to the [capacity tables](#) for limits in each space)
- **75% capacity** for ticketed events with allocated seating
- visitors must be **seated for eating and drinking** in our cafes or at our events.

These restrictions are in addition to the current mask wearing rules, and all restrictions apply in the following local government areas:

- Brisbane
- Moreton Bay
- Logan
- Gold Coast
- Townsville (including Magnetic Island)
- Palm Island.

Please note the density requirements also apply to our back-of-house work spaces. Signage will be updated throughout the building today.

Time to prepare

The next 24–48 hours will be critical. All teams need to work together to plan ahead, especially for work happening in the coming days. Normal working arrangements can continue, but please remember to take your laptops home each day.

Further advice will be provided as required. Make sure your contact details are up to date in Aurion for any urgent updates (scroll to the bottom of the [staff updates page](#) for instructions).

Staff briefing moving to Teams

In light of the evolving situation, next week's staff briefing will move to Teams. Stay tuned for the updated invitation and meeting link.

Mask tasks

[Wearing your mask correctly](#) is important to help protect yourself and others. With masks mandatory in the workplace, please do the right thing by your colleagues and make sure your nose and mouth are both covered. This will help keep us all safe. You might also consider taking your meal breaks outside — and enjoying some sunshine! Thank you for your cooperation.
