Restrictions easing early

Yesterday the Premier announced the [current restrictions in Queensland will be eased](#) from 6am on Friday 16 July.

Full details of the relaxed restrictions will be shared with all staff on Friday.

Complying with restrictions

It is important that we continue to do the right thing and follow the current restrictions carefully.

Wear your mask

Masks are required at all times when you're in public spaces. Please carry your mask with you when you're back of house so you can put it on if you can't maintain 1.5m from others.

Observe lift capacities

Under the current restrictions, two people are permitted in the main public lifts, and four people are permitted in the dock lift.

Room capacity limits

Our indoor public spaces are still restricted to one person per 4m². Check the [capacities tables](#) for the limit on each space.

Thank you,
Vicki
