

COVID-19 update

The health and safety of staff and clients is our top priority

Tuesday 17 November 2020

[Staff updates page](#) | [Health and Wellbeing Team initiatives](#)

Dear colleagues,

Following on from the recent announcement of further [easing of restrictions in Queensland](#) (effective 4pm today), the Recovery Working Group and COVID Planning Group are working to implement the changes for our staff and public spaces.

No doubt there are many questions about how these new guidelines apply in our front and back of house areas, but please be assured that further advice will be provided to staff in the coming days once we have a confirmed way forward.

Vicki
