

COVID-19 update

The health and safety of staff and clients is our top priority

Tuesday 18 August 2020

AGILE WEEK – GREEN TEAM

[Staff updates page](#) | [Health and Wellbeing Team initiatives](#)

Hygiene habits

Hand hygiene, cough etiquette and maintaining physical distance is as important as ever now we are returning to the workplace.

[This short video from Queensland Health](#) demonstrates proper handwashing techniques to make sure you're doing a thorough clean. Keep an eye out for some ideas to make the most of your time by the sink, coming to a staff bathroom near you soon...

Give us five words

Basking in views of the beautiful Brisbane River, catching up with colleagues, or changing up your surroundings — there is a lot to love about being back in the workplace. [Tell us in five words or fewer](#): what you have you liked most about returning to the office?

TransLink travel

Don't forget TransLink is running more than 1,000 additional services to support flexible travel and social distancing. [Check the service updates](#) to help plan your journey.

Play your part for COVID-safe travel and:

- leave a gap at stops, stations and on board services
- adjust your travel to outside of peak times or consider active travel
- stay home if you are unwell.

More information is available [on the TransLink website](#).

Chit chat with the CEO

Feel free to drop in and chat with me via Zoom on Wednesday 19 August from 2–2.30pm. You are welcome to ask me about anything. Hopefully I will have a ready response — if not, I will follow up for you.

Zoom meeting:
