

COVID-19 update

The health and safety of staff and clients is our top priority

Tuesday 19 January 2021

[Staff updates page](#) | [Health and Wellbeing Team initiatives](#)

Thank you for masking up

It is great to see staff wearing masks in our front of house areas. Please keep this up as we eagerly await advice on any easing of restrictions.

QR code coming soon

Next week, we will extend the use of the QR code for front-of-house visitors. It will be used for ALL front-of-house spaces to register client details for contact tracing. No bookings will be required for any of the study spaces on levels 2 and 3 or the exhibitions, but level 4 will remain a bookable space.

The people counter alerts will notify us when we are nearing capacity in our spaces. To avoid false totals, please use the staff entrances to our back-of-house work areas on levels 2 and 3 rather than entering through the State Reference Library.

SinePro will continue to be used for staff, volunteers and contractors.

Vicki
