

COVID-19 update

The health and safety of staff and clients is our top priority

Wednesday 17 March 2021

[Staff updates page](#) | [Health and Wellbeing Team initiatives](#)

We have lift off!

With COVID-19 restrictions easing further in the last few days, our lift capacities can increase to **six people** per lift, regardless of size.

The increased capacities are **effective from today** for **all** our public and internal lifts. The lift signage will be updated today.

Please continue to maintain good hygiene and keep 1.5m distance from others wherever possible.

Have a good day!
Vicki
