

COVID-19 update

The health and safety of staff and clients is our top priority

Wednesday 17 November 2021

Working towards the 17 December deadline

Conversations are continuing to make plans for the Queensland Government's [upcoming COVID-19 restriction changes](#). See the FAQs for detailed information from Queensland Health.

From 17 December, unvaccinated people aged 16 years and over will not be permitted to come onsite at State Library (South Bank) and Anzac Square Memorial Galleries. We are awaiting clarification about how the changes affect Cannon Hill and Cairns premises.

This restriction applies to everyone coming onsite, **including staff and contractors**.

There is still a lot of detail to work through, and the COVID-19 Planning Group is meeting regularly to seek clarity around the various complex questions. The Cultural Centre institutions are working together for a consistent approach across the precinct for staff and visitors.

If you are considering getting vaccinated, the time to do it is now. Vaccination locations include:

- your closest [Queensland Health vaccination hub](#)
- participating [local pharmacies](#)
- some GP clinics.

It is anticipated that within the next week you will be able to link your COVID-19 digital vaccination certificate to your Check In Qld app.

A voluntary survey will be circulated to all staff seeking information about your vaccination status and intentions. This survey is not compulsory, but it will greatly assist us in planning for service delivery from 17 December.

I appreciate it has been a very big year for us all and there is a lot of uncertainty ahead. Take care of yourself and your team mates, and don't forget support is available through [Benestar EAS](#) or you can reach out to the [Peer Support Network](#) if you need it.

Thank you,
Vicki
