

COVID-19 update

The health and safety of staff and clients is our top priority

Wednesday 3 November 2021

Are you modelling good COVID behaviours?

At the staff briefing this morning, we recognised the enormous efforts from our colleagues in Visitor Services to be at the coalface, responding to changing COVID restrictions throughout the year.

As the face of State Library and Anzac Square Memorial Galleries to our visitors, VS staff are tasked with ensuring compliance with the rules — which, at times, can be challenging.

Please support your colleagues on the desk by modelling good COVID behaviours.

This includes:

- being mindful of maintaining a safe physical distance from others
- checking in every day
- carrying your mask at all times, and wearing it when you are:
 - entering or exiting the building
 - moving around in front of house spaces
 - in back of house spaces unless you are seated or you can observe physical distancing when moving around

Thank you for doing the right thing.

Health advice

The Health Minister is actively encouraging Queenslanders to get vaccinated. Vaccination locations include:

- your closest [Queensland Health vaccination hub](#)
- participating [local pharmacies](#)
- some GP clinics.

Please continue to **check the [active contact tracing alerts](#)** and follow Queensland Health advice if you were in the any of the locations at the relevant times.

As always, if you are going for a COVID-19 test, please email your People Leader and the [People and Culture mailbox](#) immediately and do not come to the workplace while you are awaiting test results. Then don't forget to notify your People Leader and People and Culture as soon as you receive your result.

Take care,
Vicki
