Stay connected

As our time in lockdown continues, it's important to stay connected with each other. Check in on your colleagues — you might like to book a virtual morning tea or lunch date with someone via Teams.

Remember, support is available through the [Peer Support Network](#) and [Benestar EAS](#). [Check Sharepoint](#) for more information and instructions on how to book a session, or call Benestar on 1300 360 360.

Brisbane Ekka holiday postponed

This morning the Deputy Premier advised that with the Ekka cancelled, the Brisbane Ekka public holiday on Wednesday 11 August will be rescheduled to sometime later in the year. For Brisbane-based staff, this means that the day needs to be recorded as either a leave or work day in Aurion.

Please refer to the information provided by the People and Culture team this afternoon if you wish to change any planned leave arrangements for this day. Check in with your People Leader and contact CAA Payroll on slqpayroll@caa.qld.gov.au or 07 3003 2373 if you have any queries.

Are your personal details up to date?

The staff SMS broadcast is the way we share urgent updates with everyone in the event of an emergency, crisis, or other critical business interruption, especially if it happens out of standard work hours.

Please check your personal mobile is listed correctly in [Aurion](#) so you don't miss these important messages. If you need help updating your details, check the [staff updates page](#) for instructions (scroll to the bottom). Remember you need to use [RD Web](#) to access Aurion while working remotely.

Thanks for joining the staff briefing!

It was wonderful to see so many people participating in this morning's staff briefing — Teams edition! I enjoyed the opportunity to connect with you all virtually and it was fabulous to see everyone's feedback, ideas and encouragement of one another in real time.

Thank you to Kate Hannah and Declan Cael for their work behind the scenes to set the session up, and well done to our presenters Ryan Schrader, Margretha Gould, Daniel Flood, Michelle Swales and Anna Raunik for so ably stepping up to the challenge.

The recording and presentation are both now [available on SLiQnet](#) (access via [RD Web](#)) if you missed this morning's session or you'd like to catch up.

Thank you,
Vicki
