Children thrive on joy, curiosity, and boundless imagination – and at State Library of Queensland, we believe every child deserves the chance to explore, learn, and grow through inspiring experiences.

Our children's programs spark creativity, foster literacy, and build community for both children and their families. We believe every child deserves to experience the magic of reading, playing, learning and developing every single day, no matter where they live in Queensland.

State Library already delivers amazing, life-changing children's programs throughout the year and with your support, we can continue to nurture young minds and create a brighter future for Queensland's children.

**Your donation helps us make our programs accessible, impactful, and enduring – for every child, every day.**

## State Library of Queensland is where children thrive.

Across Queensland, State Library delivers inspiring programs for children of all ages—and your donation helps make it all possible.

**The Corner** – a family favourite for 20 years. This vibrant space for children under 8 and their families, nurtures early literacy through storytelling, music, art, and play. Every session is designed to spark imagination, support brain development, and foster joyful learning.

**Live at the Library** – brings the magic of State Library into classrooms across regional and remote Queensland. Through live-streamed workshops, students explore stories, collections, and new ways of learning.

**Curriculum Connect and our Schools Engagement Program** – provide teachers and students with curriculum-aligned resources, professional development, and digital tools – no matter where they live.

**Fact or Fiction** – an exciting new program that helps children explore truth and misinformation in fun, age-appropriate ways—building critical thinking and media literacy from an early age.

These programs are more than services – they're lifelines. They spark curiosity, build confidence, and create community. And they all began with funding from donations, from generous people just like you.

Your support today will help us continue delivering these life-changing programs and reach even more families across Queensland.

**Donate now and give the gift of imagination to every child.**
